Robert and Hank,

I have attached the basic drafts of our deal documents for the funding of Lab123. Please review these documents, and get back to me with any questions. Please keep in mind that these are drafts and we still need to complete in several sections. Thank you for your time, and I look forward to hearing from you.

Just checking on status of documents and the due diligence. Because of some vacations, any drafts you could send today would be appreciated. Thanks, Matt.
